Description

2011 Scania R560 Highline Cab and Chassis

Truck is in tidy condition for age and KMs, always well looked after.

Good tyres all-round, starts runs and drives as it should.

Will be sold in COF condition (less guards and rear lights)

Back of cab to R/A is 5200mm

Back of cab to end of chassis is 8300mm

Outside of chassis to outside is 765mm

With its long wheel base and chassis length this cab and chassis has plenty of uses but would make a great transporter.

Truck is located at our Christchurch branch, 8 Waterloo road.
